

Cubo Chairs

Empower the space.

A smart, compact design the Cubo meeting chair truly unifies board rooms and conference rooms, its clean, bold lines creating a professional atmosphere.

The sleek one-piece armrests are fixed for consistency and tidiness - adding to the refined silhouette that's softened by the cushioned seat and back designed for long periods of comfortable sitting.

Highly ergonomic & intuitive, Cubo's synchronised mechanism promotes active sitting and adapts to the user's weight through simple adjustment control and can be locked in several different positions.
